

Drop Box Policies & Availability

Scoring

- Drop boxes required or allowed statewide and broadly accessible, 1/2 point
- Drop boxes required or allowed statewide but limited or restricted, 1/4 point
- State has no applicable law or policy and drop boxes are not used, 0 points
- State bans drop boxes, -½ point
- Note: In addition to returning absentee or mail ballots through the postal service, many states offer voters the option of returning their ballot to a secure drop box provided by election authorities. States take a variety of policy approaches to ballot drop boxes, with some states requiring they be accessible statewide, while other states limit, restrict, or even ban the option. MAP defines “accessible” drop boxes as those available 24 hours per day, not required to be staffed, and not limited in number.
