South Dakota
- State does not ban best practice medical care for transgender youth
Tennessee
- State does not ban best practice medical care for transgender youth
- SB126 (2021) prohibits medical providers from providing hormone-related medication to "prepubertal minors" (emphasis added). Best practice medical care for transgender youth only includes such medication once a youth has entered puberty, not prior to it. However, this legislation sets a dangerous precedent for further restrictions of medical care for transgender youth.

Texas
